Have you ever been to a baby’s Baptism? The priest meets everybody at the door of the Church and makes the Sign of the Cross on the baby’s forehead. The Parents and godparents do too.
Before he went back to his Father, Jesus told his friends to baptise people in the name of the Father and of the Son and of the Holy Spirit.

By Charlotte and Christian.
He then baptiseses the baby with water. He says, "I baptise you in the name of the Father and of the Son and of the Holy Spirit."
The people listen to the
word of God and gather
round the font. The priest puts
sacramental oil on the baby's chest.

A cross is drawn with perfumed oil (Christm) on the baby's head.

The baby is given a candle that is lit from the Easter candle.

The Easter candle reminds us of Jesus.
When babies are born, they become part of a family. When a person is baptised, that person becomes part of the Church family.
