NEWS FROM OUR SCHOOL CAPTAINS

Over the past couple of weeks the year 6’s have been involved in a program with Ambulance Victoria. We have been learning about the chain of life (CPR, AED). We have also been teaching our Prep buddies about small and large emergencies. This has been a very enjoyable and informative program.

The year 3-6’s have begun a penpal program with students from China. We will be writing letters to Chinese students in English and they will translate these into Mandarin. This will be conducted with our sister school, Henggang Shuijingcheng Xiaoxue, located in Shenzhen City, Guangdong Province in China.

On Thursday our Preps celebrated 100 days of school. They were all very excited and enjoyed running through their banner to the applause of many parents, grandparents, and other family members. Well done Preps. It was really great to have so many visitors to the Prep classroom to join in this special morning.

### Under 9/10s for 2017

Modewarre intends to enter a team in the Under 9’s football competition next year (in addition to the current teams) and we wish to invite any interested boys and girls (& parents) to come along to the remaining training nights for this season. These are held at the Modewarre club on Wednesday afternoon at 4.30pm.

Our U10’s coach, Dean Charman (Mobile 0447 151 585) would be delighted to meet any new players who would like to come along to practice their skills, ask some questions or just to have a look. Please feel free to invite any other families to attend.

For further info please feel free to have interested parents contact myself.

Thank you.

Over the past few years, the Moriac school community has supported the Geelong Food Relief Centre’s charity drive to collect cans and any other non-perishable foods, groceries and personal care items for distribution to families in need throughout the community.

Please place donations in the carton at the front office at school.

Your support will be greatly appreciated.

DENTAL HEALTH WEEK

Next week is Dental Health Week. The link below promotes flossing as part of a daily tooth-care routine plus other very interesting and useful tips related to oral hygiene. It also provides information about free dental services (with no waiting list) for children in the Barwon region through Barwon Health.

Please follow this link to the resource “Stop! Rethink that Sugar Drink!”

Pictured below are our Prep students and family members enjoying our special 100 days of Prep 2017. Everyone was treated to some yummy cake along with a variety of fun activities as part of our celebrations.
