And there will be more dates to come.....

As you will have seen above the school is once again hosting a special event – **Building Resilience in Your Children**. We hosted the event last year and parents were raving about it. We encourage as many parents as possible to attend this event. Hopefully everyone will have received an invitation to attend.

This goes hand in hand with our whole school focus of having a GROWTH MINDSET. Last year the teachers attended a session run by James Anderson. James Anderson states – ‘... growth mindset language guides and motivates students to ensure they remain **persistent, resilient and focused**...’. Around the school we promote this GROWTH MINDSET.

### What Kind of Mindset Do You Have?

I can learn anything I want to.  
When I'm frustrated, I persevere.  
I want to challenge myself.  
When I fail, I learn.  
Tell me I try hard.  
If you succeed, I'm inspired.  
My effort and attitude determine everything.

I'm either good at it, or I'm not.  
When I'm frustrated, I give up.  
I don't like to be challenged.  
When I fail, I'm no good.  
Tell me I'm smart.  
If you succeed, I feel threatened.  
My abilities determine everything.

Please feel free to contact the school if you would like more information. ### NEWS FROM OUR SCHOOL CAPTAINS

On Monday the grade 3-6 students went to the Neighbourhood Watch concert in Winchelsea. Rose C was awarded the Junior Good Neighbour Award for her kindness to her peers.

There were lots of performances including a bird man who showcased some of his feathered friends. There was also a puppeteer who was hilarious. Last but by no means least the band Iron and Clay performed where Janine had fun dancing through the crowd.
