

Digital Learning News

18 September

Hi everyone – just before you head off for school holidays, I thought I would share a few resources and professional learning opportunities with you.....

This week's blog post

NEW: [Bully stoppers – new interactive resources for students](#)

Four computer-based interactive learning modules have been designed for upper primary and lower secondary school students.

- Bullying for Primary School Students
- Social Media for Primary School Students
- Bullying for Secondary School Students
- Social Media for Secondary School Students

The student modules add to the range of [Bully Stoppers resources](#) which include an app for students, interactive teacher and parent modules, and a school presentation for parents.

Resources

Did you know your students can follow NASA is on instagram? (Thanks to Brendan O'Brien for sending this through)

Other science resources:

- [Stellarium](#) – a planetarium for the computer. It shows a realistic sky in 3D, just like what you see with the naked eye, binoculars or a telescope, available on eduSTAR (secondary).
- [NASA science website](#) and [NASA for students](#)
- [Beginner's Guide to the Sky](#) - ABC Science
- [The wonders of our universe: space traveller](#) – FUSE Interactive
- [Hubble telescope resource](#) - FUSE

Also see this month's [Inspire](#) which explores how science, maths and technology is being delivered in increasingly interesting and vibrant ways.

If you have found some great resources or doing something in your class that you want to share, please let me know. Please pass this onto anyone you think may be interested and enjoy your holidays.

Regards
Rachel
