At Crusoe College our IGNITE Professional Learning Team offers a variety of high quality professional learning opportunities which focus on supporting teachers and educators across all year levels and educational settings. All programs are delivered by our highly skilled and experienced teachers who have extensive local, national and international experience in presenting professional learning to teachers and educators. Professional Learning Programs are available in a range of different formats, including half day, full day and 2 day programs, all of which are delivered in a supportive workshop environment. Our Ignite Professional Learning Team is also able to support schools who would like to send small groups to our Professional Learning Centre and as well as on location in their own schools.

IGNITE’s Professional Learning Programs are scheduled at different times throughout the year in our Ignite Professional Learning Space. To provide high quality and personalised workshops and seminars, numbers are limited for each session.

IGNITE Programs
• 1 & 2 Day Learning & Teaching Programs
• Domain Practicum Programs
• Leadership Programs
• eLearning Programs
• Programs specifically tailored to meet your school’s needs.
• Outreach Program
  – see Consultancy Service

Consultancy Service
The IGNITE Team provides a consultancy service and is available to work with your school to tailor a specific program to be delivered at your school.

Conferences
IGNITE Conferences attract a wide range of national and international presenters. Details regarding future conferences will be available on our Ignite Website.

Conference Facilities
Looking for a large venue to hold professional learning? Contact IGNITE to enquire about booking our 300 seat theatre.

Ignite Newsletter
Look out for our IGNITE newsletter published each term.

THE TEAM

The IGNITE Team is a highly skilled team of presenters with local, national and international experience. They will work closely with groups of teachers.

DAVID HINTON
Principal Crusoe College

David has been a Principal for nearly twenty years in both Primary and Secondary schools. He has also worked internationally as a Director of a school improvement project in the Middle East. David has presented papers both nationally and internationally. His areas of expertise include school improvement, human resource development and community school models.

DR ROB SBAGLIA
Learning & Teaching/Numeracy Coach

Dr Robert Sbaglia has a passion for and expertise in personalised learning. With experience in primary and secondary schools, Dr Sbaglia has significant experience in implementing and supporting personalised learning, with a particular emphasis on leveraging the use of technology to achieve this. A trained cognitive coach, with expertise in the teaching of Mathematics and Science, Dr Sbaglia has significant experience in using the Inquiry model of learning and team teaching to enhance learning.

JILL CLAPHAM
Numeracy Coach and Curriculum Leader

Jill has extensive experience as a Learning and Teaching Coach specialising in Numeracy and has worked in both primary and secondary schools and at a regional level supporting teachers in schools. She is a trained Cognitive Coach and has presented at state conferences in Mathematics, Science and Teacher Professional Learning.

RICHELLE HOLLIS
Assistant Principal (Acting)

Richelle has extensive experience as an eLearning Coach and as a presenter of Professional Learning at a local, national and international level. Her areas of expertise include Learning and Teaching, eLearning and using de Bono’s Direct Attention Thinking Tools.

STEVE O’CONNOR
Digital Learning Coach

Stephen O’Connor has been working in Primary schools for 24 years. He has held a number of consultancy roles including 3 years as an Ultranet and Digital Learning Coach. He is committed to the effective use and integration of ICT into teaching and learning, to facilitate improved outcomes for students. He has extensive experience in delivering Professional Development programs to teachers and has led many groups of teachers to then implement these programs in their classrooms.

CRUSOE COLLEGE STAFF

Mixed specialist areas

Our staff also bring a wide variety of expertise from across all curriculum areas, and are able to share their learnings, knowledge and experiences with visitors.

EXTERNAL CONSULTANTS

Mixed specialist areas

We have a range of high quality external consultants who work in conjunction with the IGNITE Team to deliver high quality professional learning to schools and educators.

CONTACT

Contact Richelle Hollis to discuss a program tailored specifically to your school context.
