

ICT: IT'S EVERYWHERE

ICT: IT'S EVERYWHERE

Information Communication Technology (ICT) Careers Event

Wednesday July 23rd 2014, 9:00am to 3:00pm

Year 9 Campus, Dawes Rd. Kyabram P-12 College

An interactive event for Year 9 students. Features young ICT professionals, higher education and industry representatives providing real insights into ICT studies and careers. Technology in areas ranging from drones, games, robotics, applications, what drives a computer, graphic design and the dairy industry will be featured in a fun and interactive way. Students will participate in a series of hands-on workshops and learn about qualifications, skills and interests that are vital to succeed in this booming global sector.

FREE event with morning tea and BBQ lunch provided

Great prizes: An iPad, iPad Nanos, iPod Shuffles and other giveaways!
