

Resources for exploring the digital technologies curriculum

Come along to a free learning and networking event for Foundation - Year 10 teachers exploring digital technologies.

Respected digital educator John Pearce will demonstrate how freely available resources on the Digital Technologies Hub can be used to explore the Digital Technologies Curriculum. Then you can get hands on with some coding tools and robots.

Refreshments will be provided.

BENDIGO: JUNE 7, 2017

SHEPPARTON: JUNE 8 2017
