
Due: Monday 22nd February

Task 1: English – Language Investigation

Read the attached document: Observations of the First Fleet (Ms Ward's blog)

Proper Noun: a word or group of words that is the name of a particular person, place, or thing and that usually begins with a capital letter.

Highlight all the proper nouns within this text.

Task 2: Maths – Scale

Watch this clip about scale: <https://www.youtube.com/watch?v=aPHpvSrAtAs>

Investigate the tallest building in Melbourne. Your task is to find the height of this building. Now draw this building to scale on grid paper. What scale have you used?

You **must** use a ruler and take care with your presentation.

Task 3: Inquiry

Investigate the following question and write your answer in your homework book.

“How did the tallest building in Melbourne get its name?”
