EXCEPTIONAL STUDENTS – Grade 5/6T

Our Exceptional Students this week are Bria Herford, Eli Herbertson and Abby McFarlane.

Bria is an exceptional student due to the consistent effort she puts into her school work. Bria has a fantastic mix of having a go at difficult tasks herself, and then asking for help when she needs it. This means that any piece of work she completes is close to her best. Bria takes a lot of pride in the presentation of her work, but is more concerned with the actual content of the work she completes. Fantastic Bria!

Eli is an exceptional student as he has a remarkable ability to get along with all of his peers. If Eli sees someone on their own, he will invite them into the activity he is doing. He is very accepting of the differences between himself and others, and has a wonderful way of being able to put himself into other people's shoes. This level of empathy makes him a highly respected member of the grade 5/6 class. Brilliant, Eli!

Abby is an exceptional student as she displays such an even temperament. Abby rarely gets flustered, and this is an admiral quality that allows her to maintain strong friendships. If people around her aren't getting along, Abby will try not to take sides, but will try to help mend the relationship as best she can. This extends to her schoolwork, as when she is faced with a challenging task, Abby will immediately look for solutions rather than panic about the difficulty of the task. Awesome Abby!

Our Exceptional students will be presented with their awards at tomorrow's assembly at 3pm

FATHER'S DAY BREAKFAST – Friday September 1st 8am

Please keep this date free, as we would like the fathers or a significant male of our students to attend this special breakfast. More details will follow.

THE PANICOSAURUS

Have you ever felt a sense of dread and worry creeping over you? That might be the Panicosaurus coming out to play...

Sometimes the Panicosaurus tricks Mabel's brain into panicking about certain challenges, such as walking past a big dog on the street or when her favourite teacher is not at school. With the help of Smartosaurus, who lets her know there is really nothing to be afraid of, Mabel discovers different ways to manage Panicosaurus, and defeat the challenges he creates for her.

This fun, easy-to-read and fully illustrated storybook will inspire children who experience anxiety, and encourage them to banish their own Panicosauruses with help from Mabel's strategies. Parents and carers will like the helpful introduction, explaining anxiety in children, and the list of techniques for lessening anxiety at the end of the book

All students have had this book read to them in class. They have had follow/up activities to ensure the message in the book is understood.

Parents are able to borrow the book for 2 days. Please see Nicole if you wish to learn more about 'The Panicosaurus'. Borrowing will begin next Monday.

The student leaders will be talking about the book at assembly tomorrow with all the students.

WELCOME KIELLA

This week we welcomed Kiella Heindrich to our school.

Kiella is in Grade 5, she is in the class of 4/5A.

Kiella is the sister of Jamie who started with us 2 weeks ago.

PARENTS CLUB NEWS

Winter Warmers - Thank you to all the parents that have donated food & put their name down on the Winter Warmers roster, we have a few spaces left if you would like to volunteer. We have almost raised enough from our Winter Warmers fundraiser to cover the cost of the split system in the music room.

Disco - Disco letters are attached today for Grade 5 & 6 parents. Please ensure requested items are dropped at the office by Thursday 17th August, so that they can be prepared for sale before Friday. All proceeds from the disco go towards this year Grade 5/6 camp to Melbourne. If parents are able to help on the night please see Mr Thompson.
