AUTHOR VISIT AS STUDENTS DRESS THE PART FOR BOOK WEEK – Friday August 26th

Book Week is just around the corner and we have lots of exciting activities taking place at Bolwarra. Visiting author, Mellisa Lane, will join in the festivities on Friday, August 26th, running two workshops based on her popular children's book, The Maremma and Mermaid. Mellisa says the workshops will provide children with the chance to create some fantastic artworks with natural materials. "Children love hands on activities; They can feel a variety of different textures from our beautiful surrounds."

Students have already begun working with natural materials this week in preparation for the workshops.

A host of other activities will also run during the day based around books shortlisted for 2016.

And once again children are encouraged to come dressed as their favourite book character on the day. There will be a host of prizes for the best dressed so dress to impress!!
