### EXCEPTIONAL STUDENTS – PrepM

Our Exceptional Students this week are Xavier Russell, Arlee Wilson and Paddy Impey.

Xavier is an exceptional student because of his great getting along skills. He is a great friend to have because he plays with lots of different people and always remembers to share and take turns. Xavier makes good use of his time during class; he enthusiastically tackles all tasks and always tries his best. Great work Xavier.

Arlee is an exceptional student because of her fabulous organisational skills. She is very good at looking after her own belongings, makes the best use of her work time and always tries her best. Arlee has lovely manners and is a good friend to everyone. She sets a great example to the other children in the class. Fabulous effort Arlee.

Paddy is an exceptional student because of his great getting along skills. He is such a cheerful member of the class and a great friend to everyone. Paddy is always looking out for his friends and is very considerate of their feelings. It's been so pleasing to see Paddy's confidence blossom throughout the term. Terrific job Paddy.

***Our Exceptional students will be presented with their awards at tomorrow's assembly at 3pm***

### ACADEMIC EXCELLENCE - ANTHONY PRICE

Anthony Price has shown Academic Excellence in his writing. The Learning Intention for his writing involved writing a story that created tension.

#### **A Bushfire**

*'Oh No!' I see smoke and flashing lights. I'm climbing up a tree and now it's tipping! I hear sirens and falling trees. 'Ow', I hit my knee. I smell smoke and ashes. 'Help, I'm pinned', I touch hot leaves and bark to get the branch up. I need help. I taste hot leaves and bits of bark. I feel defenceless. Oh the Agony!.....*

I believe Anthony has achieved his intention. Great Effort!

### RURAL ATHLETICS

Thanks everyone for a great day of athletics. It's always great to see the 3 schools come together to participate as one. Thanks to the staff of the 3 schools who ensured the success of the day as well as the many many parents who helped out when needed. Thanks also to Leanne Nelson, our local Police Officer, for her help on the day. Last but not least thanks to Mr Thompson for his leadership.

Next Wednesday is the District Athletics where the Rurals are defending their 'most improved' and 'handicap' trophies. Students who are in the team have received further information.
