

FRIDAY 18TH September - Last day of term 3!

Woo hoo! We made it!

It's the last day of term 3 so the 3/4 teachers have put together some fun activities to complete.

You can choose as many of the activities as you like, or maybe even come up with some of your own!

- Look at the suggested activities and **plan your day**.
- Make sure you are not on your screen for too long – include a **balance** of hands-on activities as well as using the websites to explore some amazing places and learn new skills.
- Take some **photos or videos** of things you have worked on or created and share them with your teacher.
- **Have a fantastic day celebrating the last day of term 3!**

Suggested Activities

Reading

Read along with the book 'Snapsy the Alligator (Did Not Ask To Be In This Book)' by Kristen W. Larson.

<https://www.storylineonline.net/books/snapsy-the-alligator/>

Then choose **one** of the following activities to complete.

1. Research 10 facts about Alligators and share them on the Class Notebook
2. Plan Snapsy's next party. Write a guest list, a list of the food he might serve and some songs he might play.
3. Draw a picture of Snapsy the Alligator. You might like to use the link below to help you.

Clowning Workshop

Visit the link below to take a clowning workshop.

You will create your own clown character and learn how to tell a story through making sound effects, beatboxing and miming.

STEAM FUN-Build A Marble Maze

Today we are focusing on the 'M' in STEAM. M stands for mathematics! You are going to use your mathematics skills to build a maze. The instructions are below!

Materials

- 1 marble
- LEGO
- OR
- Craft materials
 - Box lid
 - Straws
 - Coloured pencils
 - Any other decorative items lying around your house

Instructions

1. Using the Lego or your craft materials, create a maze. Below are some photos for inspirations!
2. Once you have created your maze, place a marble and try and get it through your maze.

Thank you for all your hard work this term. Have a wonderful and restful break and we will see everyone in term 4!
