

# How to make a newspaper pirate hat!

Arr...me hearties! It's time to make a pirate hat to wear at sea!

## Materials:

- 1 piece of newspaper
- sticky Tape

## Steps:

1. Place a rectangular piece of newspaper on a flat surface in a portrait layout.
2. Fold the paper from top to bottom.
3. Then fold the folded piece of paper from top to bottom and create a crease. Then unfold.
4. Fold the left top corner toward the middle of the paper. It will make a triangle.
5. Repeat the previous step with the right-hand side. You can add a small piece of tape to keep the triangles together.
6. Take the top layer of your newspaper from the bottom section (below the triangles). Fold it upwards so that it covers the bottom section of the triangles.
7. Turn the paper over and repeat with the other side.
8. Pull the hat open. Put it on and off you go on your pirate adventures!
