

Summer 2016/2017 Reading Challenge

Don't become a dinosaur!

Join our summer reading program!

Read over your summer break to avoid extinction.

Read from the suggested list (emailed to all Year 7 and Year 8 students) – or select some awesome books of your own.

For each book you read and review you submit, you'll go into the draw for some awesome prizes to be presented at the first Residential in Term One, 2017.

You'll also be helping to select new resources for our school library PLUS making recommendations to other students about what to read. To get started –

1. Login to your student portal and access OLIVER to search for books YOU LIKE to READ. Download the book, read it, then submit a review in OLIVER.
2. Read a book you have at home, write a review and email it to Mrs. Taylor: kaylene.g.taylor@det.nsw.edu.au
3. Visit your local library (in person or via their online catalogue), borrow a book, write a review and email it to Mrs. Taylor: kaylene.g.taylor@det.nsw.edu.au

Happy Holiday Reading!
