

# A better internet starts with you

Safer Internet Day (SID) 2018

Join us in our virtual classroom!

Greg Gebhart from the Office of the eSafety Commissioner will present a 40-minute guided experience for students and teachers with complementary resources aligned to the theme, *“Create, connect and share respect: A better internet starts with you”*.

**Audience:** Years 4, 5 and 6 (also open to Years 7 and 3 if deemed appropriate).

**Dates:** Wednesday 7 February at **9:30 am** and  
Thursday 8 February at **2:20 pm**

**Location:** Online via Adobe Connect. The URL to access this event will be emailed to participating schools prior to the event.

**Registration:** Is via the Aurora College [school website](#). Go to the ‘Latest News’ tab on the Aurora website <http://www.aurora.nsw.edu.au/>

Teachers register using their DoE email address only.

Registration closes on Monday 5 February 2018.

## Lesson content

Celebrating the Safer Internet Day 2018 (SID) theme of ***“Create, connect and share respect: A better internet starts with you”*** this session is a call to action for everyone to join in and engage with others in a more respectful way online and offline.

The presentation will assist students to:

- identify the benefits of belonging to an online community
- identify how valuing and respecting diversity online and offline contributes to the well-being of a community
- identify strategies for creating a respectful and inclusive online and offline school community
- understand the process of reporting serious cyberbullying.

With the help of classroom teachers, the presentation will feature polling and interactive questions.

Other related resources for SID are available from the Office of the [eSafety Commissioner’s website](#).

## Supervision of students

Duty of care for students throughout the session remains with the registered schools and their respective teachers. Please ensure adequate supervision is provided during the lesson. We look forward to your participation.

If you have any questions or require more information, please contact:

Sharleen Mulawin  
Rel. Head Teacher, Teaching and Learning

## Setting up for the virtual class

The sessions will be held via Adobe Connect. Please ensure there is only one connection per school. The presentation can be displayed on a data projector through any computer with an ethernet cable and speakers. The information below will help with setting up if you are not familiar with Adobe Connect.

- You will need to perform all necessary setup in advance of your online session so that you have time to resolve any connection or access issues. The Adobe Connect room will be open 30 minutes prior to the scheduled start to allow time for set up.
- Test your computer prior to accessing your online room by going to the [Meeting Connection Diagnostic](#). Ensure you install any add-ins, if prompted to do so by the connection test.
- The following guide may also be useful [Quick Start Guide for Participants](#).

## Further opportunities
