Possibly not very effective. | Little to no attempt to use language forms and features to assist meaning. |
| Constructs a representation that satirises a social issue. | Presents a cohesive and sophisticated text that skillfully satirises a relevant social issue. | Presents a cohesive and well-developed text that effectively satirises a relevant social issue. | Presents a sound text that targets a relevant social issue. Effect of satire possibly varied. | Attempts to present a text about a social issue. Satirical point possibly not clear. Possibly lacks cohesion. | Little to no attempt to present a text about a social issue. Possibly no satire evident. |

Marker comments:
Areas of strength:

Clever reversal of the 'thoughts and prayers' sop offered to those who have suffered losses as a result of gun related incidents. Visuals are precise and reflect the stereotypical NRA member and the piece is timely and relevant in light of recent events

Areas for improvement:

Possibly the phrase 'introduced new gun laws' could be punchier, thereby creating more of a satirical impact
