

Don't become a dinosaur!

Join our summer reading program!

Read over your summer break to avoid extinction.

Read from the suggested list – or select some awesome books of your own.

For each book you read and review you submit, you'll go into the draw for some awesome prizes to be presented at the first Residential in Term One, 2019.

You'll also be helping to select new resources for our school library PLUS making recommendations to other students about what to read. To get started –

1. Login to your student portal and access OLIVER to search for books YOU LIKE to READ. Download the book (ebook or audiobook), read it or listen to it, then submit a review in OLIVER.
2. Read a book you have at home, write a review and email it to Mrs. Taylor: kaylene.g.taylor@det.nsw.edu.au
3. Visit your local library (in person or via their online catalogue), borrow a book, write a review and email it to Mrs. Taylor: kaylene.g.taylor@det.nsw.edu.au

Happy Holiday Reading!

Summer Reading Challenge

2018/2019

Stage 4 students:

This is not an exhaustive list; this is just a starting point of titles that are suitable for young adults, in Stage 4. Some of you will have read many of these books, that's fine: select new books to read; from the Aurora College Library, your home school library, your public library, or from other people's book shelves – ask first! I can't wait to read your reviews and see what you recommend for other students to read....

Happy Summer Reading!
