

A terrifying new novel from Lily Wilson-Starr

In the Corners

Edris is the first born of family plagued by a gift.....
or is it a curse? On the birth of her first child,
strange events from her past come back to haunt her.
Upon discovering her old "friend" has taken an
interest in her daughter, will she be strong enough to
protect her family, or will she be the cause of a
supernatural tragedy?

*"For the lovers all thing horror! Starr is Australia's
Very own Anne Rice"*
