

Clarissa Fairchild

Biography:

When I was 17 I was enrolled at the New York Academy of the Arts. On my eighteenth birthday, I learnt that I am a Shadowhunter, a human born with angelic blood who protects humans from demons and rogue downworlders. I now live at the New York institute where I train in fighting and combat skills and go on missions to kill demons and handle Down-Worlder issues and problems.

Just came up with this new rune!!! So now I can unlock anything e.g. magical wards set by any warlocks even the great [Magnus Bane](#) and any locked doors.

This goes out to all the Rookie Shadow-Hunters, here is all the everyday runes!
