

# National Child Protection Week 2019

## Online Friends and Strangers

### Join us in our virtual classroom!

Greg Gebhart from the eSafety Commissioner will deliver a 40-minute presentation. In this presentation we will explore online safety and relationships.

**Audience:** Years 4 - 6 students

**Dates:** Tuesday 3 September at 12:00pm  
&  
Wednesday 4 September at 10:00am

**Location:** *Online via Adobe Connect.*

The URL to access this event will be emailed to participating schools 2 days prior to the event.

**Registration:** is via the [Aurora College school website](#).

Teachers register using their DoE email address only.

**Registration closes on *Friday 30 August 2019.***

### Lesson content

The presentation is designed to empower students with the skills to identify and establish personal online safety boundaries. They will develop skills to identify problematic situations which may impact their online safety as well as consider reporting processes for themselves and others.

This presentation will address Australian Curriculum health and Physical Education outcomes including:

- Practise skills to establish and maintain relationships( ACCPPS055)

Personal and Social general capability including:

- Become confident, resilient and adaptable
- Understanding relationships

Digital technologies outcomes including:

- Plan and practise strategies to promote health, safety and wellbeing (ACCPS054)
- Plan, create and communicate ideas and information including collaboratively online, applying agreed ethical, social and technical protocol

## Supervision of students

Duty of care for students throughout the session remains with the registered schools and their respective teachers. Please ensure adequate supervision is provided during the lesson.

## Further information

If you have any questions or require further information, please contact:

Serena McLean  
Assistant Principal Stage 3  
Email: [serena.mckay@det.nsw.edu.au](mailto:serena.mckay@det.nsw.edu.au)  
Ph: 1300 287 629

## Setting up for the virtual class

**Please allow 1hr (including setup, 40min presentation and wrap-up) for the presentation.**

The sessions will be held via Adobe Connect, which is a web-based application. Please ensure there is only one connection per ticket, with maximum connections of 2 per school.

The presentation can be displayed on a data projector through any computer with an Ethernet cable and speakers. You will require:

- Υ Computer connected to the internet via an **Ethernet cable**
- Υ Speakers, for sound
- Υ Data projector, SMART Board, or similar, to display the presentation from the computer.

The information below will help with setting up if you are not familiar with **Adobe Connect**.

- You will need to perform all necessary setup in advance of your online session so that you have time to resolve any connection or access issues. The Adobe Connect room will be open 30 minutes prior to the scheduled start to allow time for set up.
- Test your computer prior to accessing your online room by going to the [Meeting Connection Diagnostic](#). Ensure you install any add-ins, if prompted to do so by the connection test.
- The following guide may also be useful [Quick Start Guide for Participants](#).
