

# Parent Webinar

Studying in a virtual environment

## Parent learning opportunity

You are invited to attend a Parent Webinar.

**Topic:** **Learning in the online environment**

Ever wondered where your child's notes are or where they can find their textbook? This parent information session will help solve the mystery for you.

The aim of this session is to demonstrate to parents how the software, that students use every day, works eg: *Microsoft OneNote* and *Microsoft Teams*. Parents will be able to see what students can do with their workbooks in OneNote and Stile.

There will also be an opportunity to ask questions via the chat pod in Adobe Connect.

**Date:** Tuesday, 25 February 2020

**Time:** 3:00 – 3:45pm

**Cost:** Nil

**Registration:** Register online at <http://www.aurora.nsw.edu.au/parent-masterclass-registration/>  
Registrations close Wednesday 19 February

**Location:** Webinar via Adobe Connect. Instructions for connecting to the masterclass will be provided 2-3 days prior to the event.

## About Virginia Cluff

Virginia is the Head Teacher, Science at Aurora College and has extensive knowledge of the learning systems we use at Aurora College. She is involved in inducting new staff on how to use the technologies and is also directly involved in the orientation program for new students. Virginia is also one of Aurora's Community Liaison Officers (CLO) who travel around the state building positive relationships with staff, students and parents.

## Further information
