## The residential program

Residential programs are an integral part of learning with Aurora College. Your child is required to attend the residential when scheduled.

During the residential program, students will be participating in both curriculum, social and cultural activities. It is a fantastic opportunity for students to connect face-to-face with peers and teachers and enjoy what the venue has to offer. It also allows students to fulfil any mandatory course outcomes.

The general rules and regulations for school and excursion activities apply to residential schools. Students are expected to comply with the reasonable instructions of staff. The NSW Department of Education's [Excursion Policy](#) states that students must behave appropriately at all times while on excursions.

Staff will also be staying overnight in the cabins, with at least one teacher staying in a room nearby the students. Security will also be contracted to provide additional overnight supervision.

## Transport

To minimise the cost and disruption to families, Aurora College will hire buses to and from the Sydney Academy of Sport (Narrabeen)/SOPL, and the regional centres listed below under 'Chartered Buses'. These buses are subsidised by Aurora College, and available at a cost of \$50 return for each child. They are provided for areas of the state where there are sufficient student numbers to make the service financially viable; and where there are staff available to provide supervision. Where buses are not available, parents are expected to make travel arrangements for their children to and from the Residential at Narrabeen.

To facilitate travel arrangements for students who will not be travelling via an Aurora chartered bus, we will provide a complimentary shuttle bus to transport students who have travelled by plane, to and from Sydney Airport. Staff will be available to supervise students at Sydney Airport and in transit on each of the buses.

Aurora College staff will supervise students at the following destinations:

- **Sydney Airport** with the college bus departing for Narrabeen after the last flight arrives.
- **Sydney Academy of Sport and Recreation/Sydney Olympic Park Lodge** from 3:00 pm
- **Chartered buses**

If you have concerns about travel arrangements, please contact the coordinating office to discuss your situation.

After reviewing travel options, please complete the online form. **If your child will be travelling as an 'unaccompanied minor' then you must let us know** by contacting the Aurora College office on 1300 287 629 or email [auroracoll-h.school@det.nsw.edu.au](mailto:auroracoll-h.school@det.nsw.edu.au)

To facilitate equitable access for all students to attend the residential, families are welcome to make an application for financial assistance to subsidise travel costs. The cost of airfares will be subsidised by Aurora College. For further details, please contact Denise Deaves at the coordinating office on 1300 287 629 or via the school email [auroracoll-h.school@det.nsw.edu.au](mailto:auroracoll-h.school@det.nsw.edu.au).

## Food

All meals, including dinner on the Monday night and lunch on Friday are provided, unless specified otherwise on the program. Students will need to pack food for their journey to the residential and may wish to purchase snacks and items during stops along the way. On days out, students will collect a packed lunch to take with them. Students may bring extra money to purchase food when they are offsite.

Special dietary needs are catered for and should be advised via the online student details form submitted to the Aurora College office. Students with special dietary requirements are expected to make themselves known to staff members so they can be shown where specific items are stored. Every effort will be made to cater for students with dietary requirements; however, it is advisable that students pack some additional food in case alternate provisions are not to their liking. We also encourage students to take responsibly for their own allergies and intolerances.

Students may pack a reasonable supply of snacks for their own consumption at the residential; however, large quantities of sugary snacks should be avoided and may be confiscated.

**Snacks containing nuts should not be brought to the residentials due to severe allergic reactions from fellow students and staff.**

## Personal items

Students are responsible for all items they bring with them, including mobile phones, laptops, money and other personal items. The charging of electronic devices is also the responsibility of the student. **Excessive amounts of cash and other valuables are not required.**

Students may have an opportunity to purchase souvenirs, snacks or play arcade games, if they wish, from the venues and surrounding stores but will **require additional money.**

Students will have the opportunity to purchase books from the Popup Bookshop. Payment may be made via cash, cheque, or EFTPOS. With parent permission, payment can be made via credit card using the '[order form](#)' found at <https://bit.ly/ResBookshop> This order form is to remain with the student and handed in to the bookshop staff when purchasing books.

## Health and medication

Please complete and submit the medical information section and permission for administering medications in the online student details form. Copies of any **ASCIA action plans** for allergic reactions or anaphylaxis, and **asthma or other health plans** lodged with the student's home school also need to be forwarded to Aurora College.

Please provide all medications in an **A4 zip locked bag** clearly labelled with the child's **full name** and **Year group**, as pictured.

All medications must be in the original packaging, clearly labelled with the student's name, the name of the medication, dosage instructions and times for administration. This needs to be handed in at the sign-in desk upon arrival at the residential. Any student requiring [Schedule 8 drugs](#) must report to an Aurora staff member who will arrange for the medication to be locked away until required.

First aid kits are available onsite at each camp location.

One room will be allocated as a 'sick bay', if required.

Mental wellbeing is just as important as physical wellbeing. If any student experiences difficulty at any time it is important that they tell the Aurora staff member in charge. Parents can inform the coordinating office or speak to our school counsellor about any wellbeing concerns prior to the residential.

## Clothing

Students will need to wear their Aurora T-shirt on their excursion day/s out. Whilst there is no official Aurora uniform, certain standards in dressing are expected. Students are to dress in comfortable, clean and neat clothing that is appropriate for each activity and suitable for the weather conditions. Please refer to the 'List of things to bring' on the last page.

Existing students may need to **purchase a new Aurora T-shirt** if they have outgrown theirs or require additional shirts. To order an additional shirt, please complete an [order form](https://www.aurora.nsw.edu.au/files/2020/12/TSHIRT-RE-ORDER-Form.pdf) found at <https://www.aurora.nsw.edu.au/files/2020/12/TSHIRT-RE-ORDER-Form.pdf> and send to [auroracoll-h.school@det.nsw.edu.au](mailto:auroracoll-h.school@det.nsw.edu.au). We welcome donations of outgrown shirts to provide as spare loan shirts during the residential. \*Please note\*: Due to time constraints incurred by the ordering and manufacturing process orders must be in by the **16<sup>th</sup> December 2020**. We cannot guarantee that orders made after this date will be available in time for Residential 1.

### Clothing **not** permitted:

- Singlet tops and tank tops
